

**Application of amended *Rules of Practice and Procedure***  
January 15, 2016

---

The Tribunal is issuing amended *Rules of Practice and Procedure* effective January 15, 2016. The amended *Rules* will apply to all complaints as of the effective date, with the following exception:

**Disclosure**

Rules 20, 20.1, and 20.2 will apply only to those complaints respecting which the Tribunal has not yet notified the parties of their disclosure requirements.

Where the Tribunal has notified the parties of their disclosure requirements under the July 15, 2014 *Rules of Practice and Procedure*, rule 20 of those rules will continue to apply.

Parties that want rules 20-20.2 made applicable to a complaint may do so by agreement or, absent agreement, by application to the Tribunal.

**Any Other Issues**

Any other issues respecting transition to the amended *Rules* should be brought to the Registrar's attention.
